# DEDICATION

Yearbooks are not always prefaced by a dedication but I felt this one should be. This edition of the 1971 Northerner is dedicated to a man in love, a man in love with a school. That man is President Joseph R. Crowley and the school is Northern Montana College. It is the sincere concern and dedication that President Crowley brings to Northern that makes it the warm and personal school it is. In recognition of that I dedicate this yearbook to President Crowley.

Dennis LaBuda—Editor.

"Let It Be" was the theme of Northern's 1971 Homecoming. A snake dance, pep rally and bonfire started out the weekend's festivities. Dennis Yost and the Classics IV and the group, Him, He and Me were the featured Big Name Entertainment for the occasion. Although the Lites played a good game, they lost to the Western Bulldogs on Saturday's football game. The weekend ended with the annual Alumni banquet and dance.

## DAT, HONORARY GROUP PRESENTS AMBASSADOR PROGRAM TO SCHOOLS

Northern's honorary service organization is Delta Alpha Theta. Very active on campus, the 16 members help at registration, usher at football and basketball games, and help with freshman orientation week. They also organize and carry out a student ambassador program throughout Northern Montana. This program was started by the 1970-1971 DAT members. Students are members of DAT for only one year and each spring the old Dat members select the new members by interviewing nominees at a tea and then they host an initiation tea for the new members and their parents.

# SPURS

Another active service organization on NMC's campus is Spurs. Formerly Spurrettes, the Northern chapter was initiated into National Spurs at the regional convention in Missoula this year. Spurs is an honorary women's organization for sophomore girls. They are selected on the basis of scholarship, personality, a willingness to help others, and above all the ability to always wear a smile.

Spurs perform many services on campus and in the community, including: ushering, sponsoring dances, cater teas and luncheons, and decorate for dances and special school occasions. Spurs also help Circle K every year with their Blood drawing and Mental Health Drive.

*Merry Christmas*  
and a happy new year!

# EDITOR'S MESSAGE

Compilation of a yearbook is a task which must be experienced to be realized. It is impossible to cover all things that happen in a school year and difficult to decide what should be included and what cannot be because of the limits one must work within. If something is lacking in this book, I sincerely hope that what it does contain will compensate.

I would like to recognize the Taylor Publishing Company and especially Pat Cambell, our Taylor representative for patience and understanding in the process of making this yearbook.

If not for fellow students this book would not be and I owe special thanks to my assistant editor, Vickie Caves; photographers, Ralph Brigham; Bob Smeltzer; Andy Heesacker; and Jim Kelly, along with my staff of Sherry Porter, John and Sharon LaBonty, and Susie Habel. An inexpressible amount of appreciation goes to my sister, Sharon, editor of the NoMoCo, for completing most of the final copy and details of the yearbook.

I feel an overwhelming feeling of relief at the conclusion of this yearbook and also a real sense of loss that it and Northern Montana College are in my past. I feel Northern is an outstanding school and I hope that this book in some way represents that opinion.

Sincerely,

Dennis LaBuda, Editor
